Re In the Matter of Charles B. Rangel et al MUR 6040

Dear Ms. Collins

We represent The Olnick Organization, Inc. ("Olnick") in the above referenced matter. We are in receipt of a Complaint received by the Federal Election Commission and forwarded to Olnick which indicates that Olnick "may have violated the Federal Election Campaign Act of 1971." Currently, the Complaint requires a response from the company on or about August 6, 2008.

Pursuant to our conversation on July 30, 2008, I write to request a 30 day extension of the time in which Olnick is required to respond to the allegations set forth in the Complaint. As we discussed, the facts surrounding the allegations in the Complaint date back to the early 1970's. In order to comprehensively respond to the allegations, we need to obtain and review relevant documents, some of which we believe may no longer be kept at Olnick's office, but off site. In addition, we need to ascertain the facts from individuals that may have relevant information regarding the matters set forth in the Complaint. While some of those individuals are still employed by Olnick, others are not, and it will take time to locate and interview them.
